

Interactive youth center as a space for individual development

Eglė Rimeikytė
Vilnius, Lithuania

Open youth center «Mes» (I)

- Mission – to enable young people to acquire (new) social skills, ensure the safe area and time.
- Center activities are organized so that it can attend both - motivated and less motivated young people. Take into account the social risk families.

Open youth center «Mes» (II)

- Working as open youth center– 4 years already.
- At the moment - more than 20 paid workers.
- Main partner in Vilnius working with NEET youngsters.
- Two more departments in different parts of Vilnius.
- More than 6 different activities for different youngsters.

Vilnius open youth center «Mes» (III)
